Print length : 898 pages

HCII 2024 will feature a wide range of topics, including:

- Human-computer interaction theory and models

- User experience design and evaluation
- Human factors in computing systems
- Social and cultural aspects of HCI
- HCI in specific domains, such as healthcare, education, and entertainment
- Emerging trends in HCI, such as artificial intelligence and virtual reality

The conference will feature a variety of presentation formats, including:

- Full papers
- Short papers
- Demos
- Posters
- Workshops
- Tutorials

In addition to the technical program, HCII 2024 will also offer a number of social events, including a welcome reception, a banquet, and a variety of tours and excursions. These events will provide attendees with an opportunity to network with other HCI professionals and learn about the latest trends in HCI.

HCII 2024 is a must-attend event for anyone interested in the latest advancements in human-computer interaction. The conference will provide attendees with an opportunity to learn from leading experts in the field,

network with other HCI professionals, and explore the latest HCI technologies and trends.

Important Dates

- **Abstract submission deadline:** March 15, 2024
- **Full paper submission deadline:** April 15, 2024
- **Notification of acceptance:** May 15, 2024
- **Camera-ready submission deadline:** June 15, 2024
- **Conference dates:** July 26-31, 2024
