ACPR 2024 will provide a platform for scientists to share their research findings, exchange ideas, and foster collaborations. The conference will cover a wide range of topics in applied physics, including:

- Materials science

- Electronics
- Photonics
- Nanotechnology
- Energy
- Biophysics
- Medical physics

ACPR 2024 will be held in Jeju Island, South Korea, on November 12, 2024. The conference venue is the Jeju International Convention Center, which is located in the heart of the island's tourism district.

Keynote Speakers

- **Professor John Smith**, University of California, Berkeley
- **Professor Jane Doe**, Massachusetts Institute of Technology
- **Professor Li Wang**, Tsinghua University

Registration

Registration for ACPR 2024 is now open. Early bird registration rates are available until September 12, 2024. To register for the conference, please visit the registration page.

Accommodation

A variety of accommodation options are available in Jeju Island. To book your hotel room, please visit the accommodation page.
