Tips for Parents

*** **Start early:**** The earlier you start reading to your child, the better. Even babies can enjoy listening to stories and songs. *** **Read regularly:**** Make reading a part of your daily routine. Aim to read to your child for at least 15 minutes each day. *** **Be patient:**** Learning to read takes time and practice. Don't get discouraged if your child doesn't pick it up right away. Just keep reading to them and they will eventually get there. *** **Make it fun:**** Reading should be a fun and enjoyable experience for both you and your child. Don't drill your child on phonics or grammar. Instead, focus on sharing stories and songs and making the experience as interactive as possible.
