Brothers of Flame Control is a channeled spell, which means that you must continue to cast it in order to maintain the fire elementals. The spell has a cast time of 2.5 seconds, and it costs 200 mana to cast. The fire elementals will last for 30 seconds, or until they are killed. You can have up to two fire elementals active at a time.

Brothers of Flame Control is a very versatile spell. It can be used in a variety of situations, including:

- Dealing damage to enemies
- Tanking damage
- Crowd control
- Utility

Here are some tips for using Brothers of Flame Control effectively:

- **Position your fire elementals carefully.** Fire elementals are melee fighters, so they need to be close to your enemies in order to deal damage. However, they are also immune to fire damage, so you can place them in areas where your enemies are likely to attack with fire. This will allow your fire elementals to tank damage and deal damage at the same time.
- **Use Brothers of Flame Control to crowd control.** Fire elementals can be used to crowd control enemies by knocking them back or stunning them. This can be useful for interrupting enemy spell casts or for preventing them from attacking your other party members.
- **Use Brothers of Flame Control for utility.** Fire elementals can be used for a variety of utility purposes, such as dispelling debuffs or reflecting spells. This can be very useful in certain situations.
