This guide will provide you with a comprehensive list of easy and intermediate solos for the advancing trombone player. The solos are organized by difficulty level, and each entry includes a brief description, including the composer, range, and any technical or musical challenges that the solo presents.

Easy Solos

1. "Romance" by Edvard Grieg (arr. for trombone and piano)

This beautiful and lyrical solo is a great choice for beginners. It has a moderate range (low C to high A), and the technical demands are relatively simple. However, the solo requires a good sense of phrasing and musicality.

2. "Andante and Rondo" by Jean-Baptiste Arban

This classic solo is a great way to develop your lip slurs and staccato technique. It has a range of low Bb to high G, and the technical demands are moderate. The solo also provides an opportunity to work on your musicality and phrasing.

3. "Elegy" by Jules Massenet (arr. for trombone and piano)

This expressive and moving solo is a great choice for intermediate players. It has a range of low Bb to high F, and the technical demands are moderate. The solo requires a good sense of phrasing and musicality, and it provides an opportunity to develop your vibrato.

Intermediate Solos

1. "Concert Etude No. 1" by Launy Grøndahl

This virtuosic solo is a great way to develop your technical skills. It has a range of low C to high G, and the technical demands are challenging. The solo requires a good sense of rhythm, articulation, and lip slurs.

2. "Sonata No. 1" by John Grainger

This three-movement sonata is a great choice for intermediate players looking for a challenging and rewarding solo. It has a range of low Bb to high F, and the technical demands are moderate to challenging. The solo requires a good sense of phrasing, musicality, and vibrato.

3. "Concerto in B-flat Major" by Camille Saint-Saëns

This iconic concerto is a great choice for advanced intermediate players. It has a range of low Bb to high G, and the technical demands are very challenging. The solo requires a good sense of rhythm, articulation, lip slurs, and vibrato. It also provides an opportunity to develop your musicality and stage presence.

This guide provides a comprehensive list of easy and intermediate solos for the advancing trombone player. By selecting solos that are appropriate for your skill level and musical goals, you can continue to develop your technical abilities, musicality, and interpretive skills. Remember, practice is essential for mastering any solo, so be sure to put in the time and effort to achieve your musical goals.
