Felder's play is a unique and ambitious undertaking. It is a testament to his skill as an actor and playwright that he is able to bring so many different characters to life on stage. He does so with great skill and sensitivity, capturing the essence of each star while also providing his own unique interpretation. The result is a play that is both entertaining and enlightening.

One of the things that makes "The Hollywood Legends 32" so special is the way that Felder uses music to tell the stories of the stars. Each character has their own signature song, and Felder uses these songs to create a powerful emotional connection between the audience and the characters. The music also helps to set the mood and atmosphere of the play, and it adds to the overall theatrical experience.

If you are a fan of classic Hollywood cinema, then you will definitely want to see "The Hollywood Legends 32." Hershey Felder has created a truly unique and unforgettable play that celebrates the golden age of Hollywood.
