Greece: In the Footsteps of Gerald Durrell

Begin your adventure in Greece, where Durrell spent much of his childhood and wrote some of his most famous books, including "My Family and Other Animals" and "Birds, Beasts, and Relatives."

Visit the island of Corfu, where Durrell's family lived in a dilapidated villa, and explore the countryside that inspired his beloved characters. Visit the Durrell School of Corfu, a conservation and education center dedicated to preserving the island's unique wildlife.

Continue to Athens, the cradle of Western civilization, and marvel at the ancient ruins of the Acropolis. Venture to the Peloponnese, where Durrell conducted groundbreaking wildlife surveys, and discover the stunning landscapes that captivated his imagination.

France: The Provençal Paradise

Cross the Mediterranean to France, and immerse yourself in the sun-drenched landscapes of Provence, where Durrell spent his later years. Visit the charming village of Saint-Tropez, where Durrell wrote "My Family and Other Animals."

Explore the rugged coastline of the Camargue, a haven for wildlife, and discover the unique flora and fauna that Durrell observed and wrote about. Visit Avignon, the medieval city that served as the backdrop for Durrell's novel "Tunc."

The Durrell School of Corfu Seminars

Throughout your journey, attend exclusive seminars led by experts from The Durrell School of Corfu. These seminars will provide insights into Durrell's life, work, and conservation legacy.

Learn about the challenges and triumphs of Durrell's groundbreaking wildlife surveys. Discover the importance of biodiversity and the threats

facing endangered species. Gain practical knowledge of conservation techniques and strategies.

A Transformative Experience

Travels in Greece and France and The Durrell School of Corfu Seminars offer more than just a sightseeing adventure. They are an opportunity to connect with the landscapes and cultures that shaped Durrell's life and writings.

By exploring the places that inspired Durrell, you will gain a deeper understanding of his work and the importance of conservation. You will return home with a renewed appreciation for the beauty and fragility of our planet.
